Access Just Got Smarter

The ALBION by McGrath Smart Locks is a sleek and stylish lock designed to deliver smart access solutions that blend technology with toughness, and design with dependability. A great addition to the home, office or business, this 4 in 1 digital door lock provides a versatile and convenient method of entry that allows you to easily manage who has access to your property.

Utilising the powerful McGrath Locks App, lock and user settings are easily configured and managed. Access can be provided to family and visitors alike through PIN code, RFID credential, eKeys managed via BLE and mechanical key override. The ALBION can be connected to a gateway giving you the ability to unlock your door from anywhere in the world using the McGrath Locks App.

The Albion comes with an adjustable backset tubular latch.
